

Texas Alliance for Life Leadership Circle

Texas Alliance for Life invites you to support our critical efforts to protect innocent human lives from conception to natural death in a special way — by becoming a member of the *Leadership Circle*.

A Demonstrated Statewide Leader

Texas Alliance for Life is a demonstrated statewide leader in changing public opinion and public policy in Texas. Membership in the *Leadership Circle* is a special way to support our productive statewide educational programs, effective lobby campaigns in the Texas Legislature, and proven efforts to defend pro-life public policies in the courts.

“Membership Has Its Privileges”

We hold three exclusive *Leadership Circle* luncheons a year featuring prominent pro-life medical and legal experts, community leaders, and elected officials. Luncheons are in January, April, and August. Members also receive a complimentary table for 10 and can attend the VIP reception at our annual October dinner.

Membership requires an annual financial contribution (monthly, quarterly, or onetime) in one of the following amounts:
